ABMS Member Board Participation and Recognition for MOC Part IV

For participation in the ABMS Portfolio Program
Updated June 1st, 2019

ABMS Member Boards participating in the Portfolio Program offer an established option for recognizing valid quality/performance/practice improvement (QI/PI) activities which their board certified physicians are engaged in. The table below shows what each Member Board awards to a physician who completes an approved activity through a sponsor organization.

| Specialty                          | Traditional MOCA: 1 Part IV Case Evaluation | MOCA 2.0: Up to 20 Part IV Points for Participants | MOCA 2.0: Up to 25 Part IV Points for Leaders | Part IV practice assessment QI module | Patient care practice improvement activity | 20 points depending on certification year | 30 Practice Assessment points | Improvement in Medical/Professional Practice (Part IV) activity | Part IV assignment (max allowed per calendar year) | Practice performance module | Performance improvement module | Part IV activity | 25 Part IV Points | Practice improvement project | MOOC Part IV activity | Improvement in Medical Practice (PIP) Clinical Module | Practice Quality Improvement (PQI) project | Quality assessment program or participation in a national, regional, or local outcomes database | Activity or quality assessment program | MOC-PS activity | As will be awarded 30 PI-CME credits. NCCPA then doubles the first 20 PI-CME credits earned for each PA per CME logging cycle. |
